Hello!

Thank you so much for looking to book with us! Please remember we are a kid friendly facility so all material and music is clean as there are little eyes and ears everywhere. Additionally, please be mindful of your neighbors while you are using the space in regards to music volume.

Please help us keep our buildings secure. If you are renting, please ensure the building is locked up when you are finished if no one else is in the space.

For emergencies only, you can call Jackie at 281.686.7211 if the office is not open. Please note, any non-emergent calls will be charged an automatic \$50 fee.

Thank you again for renting with us!
