

Chloe Jewel

My name is Chloe Jewel and I am a professional dancer/choreographer/ actress who lives in Los Angeles CA. I grew up dancing as a competition/convention kid for 10 years. When I graduated Booker T Washington High School for the Performing and Visual Arts, I was accepted into the inaugural year of the CLI Conservatory. At the end of the year, I was signed bi-coastal with Bloc Talent Agency and moved to LA. I am currently an assistant for Nuvo Dance Convention, a dancer for MashUp Contemporary Dance Company, and since moving to LA, I've been a part of music videos, commercials, award shows, and live performances.
